

# Introducing Beekeeping Questionnaire.

B Intro II

Thank you for coming, we hope the weekend has been useful.

Please provide us with some feedback and your thoughts on how we can modify, develop or improve the course.

How well has the course met your learning needs?							✓
Comments:							
Was the information presented well and clearly?							✓
Comments:							
Do you feel the weekend provided value for money?							✓
Comments:							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							✓
Comments:							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?

Same time to get started + knowing you have support.

What are your thoughts about the Friday evening? We have used the same format here as the residential courses we run but of course you have had to come each day. We felt the Friday would offer a social event and allow people to settle in before a fairly packed weekend. Was it useful or did it feel unnecessary?

Was very enjoyable + useful - helps partners to understand what doing.

What did you enjoy most? Clearly presented information.

Least?

How did you hear about our courses? Search on Internet.

Any other comments (PTO if necessary)?

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?

*Advice on positioning a new apiary perhaps – and definitely mentoring!*

What are your thoughts about the Friday evening? We have used the same format here as the residential courses we run but of course you have had to come each day. We felt the Friday would offer a social event and allow people to settle in before a fairly packed weekend. Was it useful or did it feel unnecessary?

*Very useful way of easing into the material and to create a good group dynamic.*

What did you enjoy most?

*Work in the apiary.*

Least?

*Frame making could perhaps be done a bit quicker...*

How did you hear about our courses?

*Terribly difficult. I think you could advertise more.*

How well has the course met your learning needs?							✓
Comments: As a beginner, I was impressed with the amount of knowledge I gained and retained.							
Was the information presented well and clearly?							✓
Comments: Very easy to understand, and the combination of slides and practical was just right.							
Do you feel the weekend provided value for money?							✓
Comments: V. good V.F.M.							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							✓
Comments: Never noticed the boring bits							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day? Equipment and help when needed.

What are your thoughts about the Friday evening? We have used the same format here as the residential courses we run but of course you have had to come each day. We felt the Friday would offer a social event and allow people to settle in before a fairly packed weekend. Was it useful or did it feel unnecessary?

Friday made me feel at ease and therefore Saturday was straight into learning mode.

What did you enjoy most? Simple :- all of it

Least? None
