What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?

Hope to put what I have learned to practical use as soon as possible. If that is not possible, the spring refresher ^{course} would be good.

What are your thoughts about the Friday evening? We have used the same format here as the residential courses we run but of course you have had to come each day. We felt the Friday would offer a social event and allow people to settle in before a fairly packed weekend. Was it useful or did it feel unnecessary?

N/A was not residential

What did you enjoy most?

lovely summer chats in the garden & over delicious food. & hands on with the bees.

Least?

- loved all of it! (except checking drones for varroa, but still found it fascinating)

How did you hear about our courses?

Via Acorn Bank.

Any other comments (PTO if necessary)?
