How well has the course met your learning needs?							✓
Comments: Excellent for me as a visual learner - far better than just reading books.							
Was the information presented well and clearly?							✓
Comments: Excellent teaching - clear, good revision, not too technical and plenty of time for questions							
Do you feel the weekend provided value for money?							✓
Comments: Absolutely -							
The balance between PowerPoint and hands on was really constrained by Covid regs in the village hall, was is good enough?							✓
Comments: Nice mixture of listening + Practical - Good to do the listening in the mornings when most alert!							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day? **N.B. Intermediate Beekeeping Course is in 13th March 2021.**

Possible advanced course
Swarming course days

What are your thoughts about the Friday evening via Zoom? We hoped it would offer a social event of some sort and allow people to settle in before a fairly packed weekend. Was it useful or did it feel unnecessary?

Very interesting and nice to meet everyone prior to the course - took the nerves away.

What did you enjoy most on the course?

I Enjoyed every second - the time just flew.

How did you hear about our courses?

Via Julia

Any other comments (PTO if necessary)?

Keep up the great work you do and thank you for all your support, it has been invaluable! I feel so confident now and will

actually call myself Angela Faulstich a beekeeper now !!
