Shook Swarm / Artificial Swarm
What did you find least helpful?
N/A
Any other comments:
Excellent!

PBKA + BEE ED Improvers' Beekeeping Course: April . 2016

Course Feedback   Name: (optional) ......Sue Hannan.............

	Please score each answer and provide reasons if you wish...	1-5 i.e. 1= poor 5= very good
1.	How well has the course met your learning needs?	5
2.	Was the information presented well and clearly?	5
3.	Do you feel the day provided value for money?	5
4.	Is the balance between powerpoint learning and practical hands on about right, given that do have to learn the 'boring bits'?	5

What do you need next?

I need to practice more on my own bees then maybe some more in depth course on alternative hive types to think about or maybe a basic exam.

What did you enjoy most?

The hands on practice or scenarios

What did you find least helpful?

It was all useful – even the graphs !

Any other comments:

It was most enjoyable despite the Crufts exhibition next door !
