

Introducing Beekeeping Questionnaire.

Thank you for coming, we hope the weekend has been useful. Sadly the weather has not helped us.

Please provide us with some feedback and your thoughts on how we can modify, develop or improve the course.

	1=grotty	5=very good	1	2	3	4	5
How well has the course met your learning needs?							X
Comments: LOGICAL + METHODOICAL							
Was the information presented well and clearly?							X
Comments:							
Do you feel the weekend provided value for money?							X
Comments:							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							X
Comments:							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?

Practical Experience

Is there one thing you would like us to do differently?? No

What did you enjoy most? Repeating the important parts to Reinforce learning + Marking the Queen

Least? ?

How did you hear about our courses? PENRITH BEEKEEPERS

Any other comments (PTO if necessary)?

Excellent Balance

Introducing Beekeeping Questionnaire.

Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?						✓	
Comments:	<i>was hoping for a bit more hands on today. (Sunday)</i>						

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?

I've joined. Need to discuss with the boss (my wife) next steps!

Is there one thing you would like us to do differently??

No

What did you enjoy most?

Practical handling

Least?

Maybe would have liked to hear more about 'organic' methods

How did you hear about our courses?

Azura Hill Apple Day.

Any other comments (PTO if necessary)?

Maybe would like to see an actual indication of time needed by month ~~for~~ for managing 2 hives, (average of course)

Introducing Beekeeping Questionnaire.

Do you feel the weekend provided value for money?							✓
Comments: <i>Definitely</i>							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							✓
Comments:							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?

Someone to check my potential sites for hives

Is there one thing you would like us to do differently??

What did you enjoy most?

Bees + hive management.

Least?

Disease - but necessary.

How did you hear about our courses?

PBKA

Any other comments (PTO if necessary)?

*Great for increasing confidence
Thank you!*

Introducing Beekeeping Questionnaire.

	1=grotty	5=very good	1	2	3	4	5
How well has the course met your learning needs?					/		
Comments: <i>Lower mark because it was only an introduction, albeit it a very informative one and probably as much info as I could absorb</i>							
Was the information presented well and clearly?							/
Comments: <i>I really enjoyed the style and mix</i>							
Do you feel the weekend provided value for money?							/
Comments:							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							
Comments: <i>It's getting shorter lunch breaks.</i>							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day? *To make a decision on whether we want bees - will attend more training aping days*

Is there one thing you would like us to do differently?? *Possibly a clearer indication of what the minimum/optimum range of equipment is. Trying on/seeing different suits was very useful.*

What did you enjoy most? *The evident commitment of all bee taken to bees - and being outside.*

Least?

How did you hear about our courses? *Through British Association - Poyner*

Any other comments (PTO if necessary)?

Introducing Beekeeping Questionnaire.

How well has the course met your learning needs?							✓
Comments: FRAME BUILDING, USING HIVES & INSPECTING PLUS BEES ARTIFICIAL SWARMING - SO SPOT ON!							
Was the information presented well and clearly?							✓
Comments: GOOD MIX OF PRACTICAL & POWER POINT.							
Do you feel the weekend provided value for money?							✓
Comments: JUST GOOD VALUE I.I.							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							✓
Comments: SEE ABOVE. NO BORING BITS.							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?

A learning day after some time with our bees & mentor. Maybe just touching base & sweeping stories.

What did you enjoy most?

ARTIFICIAL & STOCK SWARMING.

Least?

BRKING DRONES.

How did you hear about our courses?

PBKA.

Any other comments (PTO if necessary)?

No, I think for an introduction this course ticks all of the boxes.

Introducing Beekeeping Questionnaire.

Thank you for coming, we hope the weekend has been useful. Sadly the weather has not helped us.

Please provide us with some feedback and your thoughts on how we can modify, develop or improve the course.

Do you feel the weekend provided value for money?							✓
Comments: <i>Excellent value</i>							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							✓
Comments:							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day? *Help! A learning day quite soon after this course & shortly after arrival of bees. Is there any way*

Is there one thing you would like us to do differently?? *of volunteering to help out a bit before actually having bees so get more confidence in handling equipment etc.*

What did you enjoy most?
Beehive work, practical side

Least?

How did you hear about our courses?

Internet
