How well has the course met your learning needs?						←	X
Comments: I was hoping for an introduction, with hints about siting a hive in my garden, but it gave me a lot more info than that							
Was the information presented well and clearly?							✓
Comments: Good quality and detail, plus "revision" & practical instruction.							
Do you feel the weekend provided value for money?							✓
Comments: I had the National Trust subsidy, but it was easily worth more.							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?						✓	
Comments: Maybe not such a long powerpoint on the first day & there was an after lunch 'slump'							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?

I will look and see if there is room in my garden for more than one hive - it seems there may end up being several!

Is there one thing you would like us to do differently??

The venue was good, but maybe a hint that it would be cold - I was prepared for it on the 2nd day.

What did you enjoy most?

Definitely the beehive visit and the chance to see beekeepers in action.

Least?

At this level, maybe too much info on diseases and parasites, but it was interesting.

How did you hear about our courses?

Via an email from the National Trust Acorn Bank staff.

Any other comments (PTO if necessary)?

Still haven't heard the bit about where to put the hive(s) but I think that is coming next ... at last!

Thank you both, & Margaret for organizing!
