

Introducing Beekeeping Questionnaire.

Thank you for coming, we hope the weekend has been useful. Sadly the weather has not helped us and we have had to chop and change things.

Please provide us with some feedback and your thoughts on how we can modify, develop or improve the course.

Comments: <i>Yes.</i>							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day? *Retire so I can set up some hives. Then I will join my local Bee Society.*

Is there one thing you would like us to do differently??

No - the course has to react to the weather.

What did you enjoy most? *The bees.*

Least? *The drive to the hive!*

How did you hear about our courses? *On line searches.*

Any comments about the venue and food? *Excellent. Though I feel guilty I don't seem to have been charged for all the coffee, tea & cake.*

Comments: Plenty covered, but very clear and coherent							
Was the information presented well and clearly?							✓
Comments: I liked the presentation of illustrative details (well judged!) and effective analogies and comparisons.							
Do you feel the weekend provided value for money?							✓
Comments: Excellent (tho' I'm in receipt of exact cost!)							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							✓
Comments: Always tricky, but worked out v. well, esp. with the limitations of the weather!							

What do you need next? (Apart from some bees) – e.g. a mentor, a more advanced course or learning day?
 More hands-on experience – we need to get going with our bee-buddy. I need to go back and reinforce the learning from the course.
 Is there one thing you would like us to do differently??

Can't think of anything.

What did you enjoy most? Visiting the apiary.

Least? Making a frame.

How did you hear about our courses? Through PBKA

Any comments about the venue and food?
 Lovely venue, lovely cake. A way for us to come, but we enjoyed the journey.

Any other comments (PTO if necessary)?
 I've learned that I wouldn't want to turn honey to meal!
 But thanks for the chance to find out!
